Welcome

Simcoe & Muskoka Regions Largest Comic-Con Event!

COTTAGE COUNTRY COMIC-CON (FORMALLY ORILLIA COMIC-CON)

The Cottage Country Comic-Con is back with a BANG! It's a collectors mecca convention located in the beautiful City of Orillia, Canada. Cottage Country Comic-Con strives to be Ontario's best and truest comic con featuring fandoms of multiple genres. As long-time fans of comic books, toys, pop-culture, records, wrestling, antique market, cosplay, animation, scifi and fantasy, the promoter wanted to bring that style event to Orillia.

The show will have over 300 exhibitors that cater to a wide-spectrum of interests including comic books, magazines, toys, games, movies, records, wrestling, antique market, television, anime, manga, cosplay, artwork, sketches and apparel plus much more. In addition, a roster of comic industry professionals and fandom-related celebrities are in attendance for attendees to meet and greet. This will be one show not to miss!

Our First Comic-Con Show in the News & Press:

The Orillia Comic-Con was the brainchild of Carmine De Santo, owner of Dr. Comics in downtown Orillia. He conceived the idea over a year ago and expected to start small. He simply had a vision of "a group of comic fans and toy fans getting together in one day." But the idea caught on like wildfire and exploded into a massive event. Whatever happens in the future, it will be difficult to top the inaugural Orillia Comic-Con, which is suddenly the largest single one-day event in the city in terms of attendance numbers. It's an accomplishment of super-hero stature for a local visionary who deserves his own cape for helping to put Orillia on the map in a new and welcome way"

Orillia Packet & Times

"In my 30 years of doing comic-cons all over North America, I've never seen so many people at a 1 day event in a small community of people, Congrats Carmine you Canadians know how to con it!"

Creator of Deadpool Fabian Nicieza

"I just had a hell of a time at the Orillia Comic-Con 2017, Orillia has a Devout Comic, Retro, Game, Artist, Creative Culture. 1st time show 7500 people and 8 hours, insane!!! and we will back in 2018"
